

Introduction

The NEW Elite Built Caddy with sturdy construction and heavy duty castors is a great multi-function unit. This mobile unit is suitable for filing and storing your documents, stationery and personal items. Combines benefit of both a Pedestal and a Tambour in one unit.

Features

- Designated filing and storage sections, drawers for files, stationery, personal items while books and CD's can be stored on shelves.
- Smooth heavy duty telescopic ball bearing runner system allows them to fully extend outside the cabinet body, providing easy access and quiet operation.
- 20kg load carrying capacity for file drawer.
- An all welded construction providing strength and rigidity plus durable oven baked powder-coat finish with corrosion resistant metal treatment.
- Full height box drawers provide utmost protection and maximise the space available for file storage as well as for alternative storage use.
- Designed specifically to fit under desks or workstations plus intelligent side pull/flush front drawer design offers a desirable 'minimalist' look.
- Secure Series 2000 locking system, provides peace-of-mind that items stored will be kept safe.
- Suitable for a multitude of low security storage applications.
- Choice of open storage or Tambour door to conceal shelving space.
- Hard nylon twin wheel lockable castors with polyurethane soft wheels ideal for hard floors.
- 5 year warranty.
